

Berrysafe– Usage Instructions

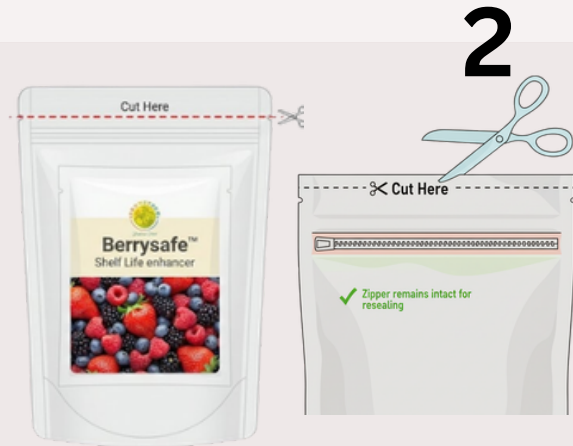

1 Comes in Vacuum Pouch

- BerrySafe pad comes sealed inside a vacuum pouch
- Do not fold, tear or damage the pad inside

2 Open the Pouch Carefully

- Cut the pouch only along the dotted line above the zipper using scissors
- Do not cut through the zipper as the pouch is resealable
- Gently open the pouch and remove one BerrySafe pad
- Reseal the pouch tightly if some pads remain unused

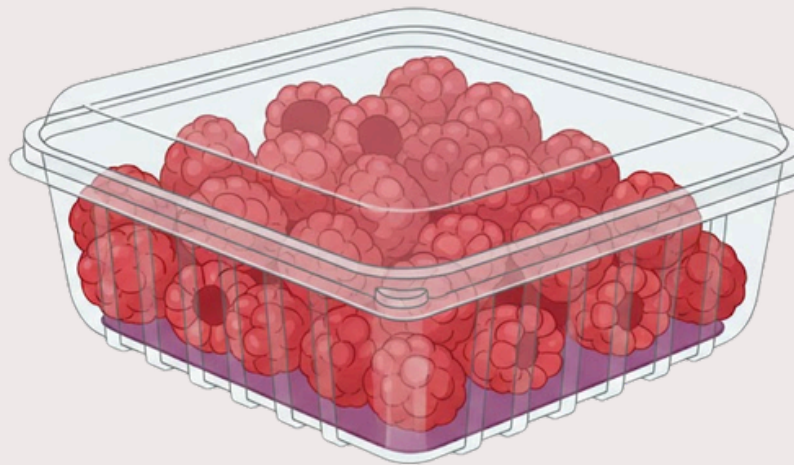

3 Place in Punnet

- Place the BerrySafe pad flat at the bottom of the empty punnet
- Ensure the pad lies evenly and fully covers the base
- Then fill the punnet with berries

4 Close & Store

- Close the punnet as usual after placing berries

Do's

- Use 1 BerrySafe pad per punnet of berries.
- Always place the pad flat at the bottom of the punnet before filling berries.
- Keep the pad sealed and intact until use.
- Store any unused pads inside the resealable vacuum pouch
