

1

Keep a clean open berry punnet with FruveFresh sachet ready.

Take the double-side adhesive sticker. Attach the double-side adhesive sticker to the back of the FruveFresh sachet.

Peel the top layer, then stick the sachet on the inside surface of the punnet lid from the inner side, keeping it flat and upright. Press firmly so it stays fixed when the lid is closed.

3

Fill the punnet with fresh berries, keeping the attached FruveFresh sachet on the side wall

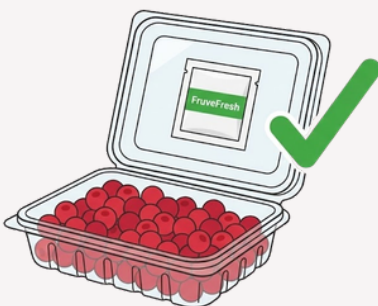

Close the punnet lid firmly. FruveFresh now protects the berries inside.

4

Do's

- Always stick the FruveFresh sachet firmly on the inside wall of the punnet.
- Use one sachet per punnet and keep berries gently filled around it.
